

Empathy and Sympathy:

What's the Difference?

Join us for a free training presented by Sam Drazin on **Thursday, April 4, from 4-5 PM, at The Center for Recovery Resources, 1 Pleasant St. Suite 104, Claremont.**

Empathy is being recognized as one of the most important 21st century skills. It is a driver for more meaningful and positive relationships. This workshop is intended for anyone who works with children, including social service workers, teachers, and daycare providers. During the workshop:

- Learn the difference between empathy and sympathy;
- Discover the roles they play in nurturing connected and engaged learning communities;
- Reflect on your own abilities to demonstrate empathy; and
- Explore tools to explicitly teach empathy through the lens of disability.
